SPECIAL AWARDS

The special awards are based on nominations and applications submitted by PHSA members.

FROM THE HEART SCHOLARSHIP

This \$1,000 scholarship is offered in honor of Frank Farmer, the father of Linda Furches. Frank was an avid horseman and a talented breeder. Many of the horses and ponies he bred throughout the years came to Linda's Foxtale Farm in Oley, PA.

His program developed horses that could carefully carry a beginner in weekly lessons, yet could help a hardworking student successfully qualify for Zone Finals. His horses often participated in PHSA sponsored events. Frank was a staunch supporter of all young riders who worked hard to be a part of the sport, regardless of the means from which they came.

The scholarship is open to both high school seniors and college students whose lives have been impacted positively by being a part of the equestrian community. Candidates will write a short essay about a person or horse that played an important part in their life. In keeping with Frank's vision that all children should be able to enjoy our sport through hard work, applicants do not have to be a regular competitor to apply.

Started with the love of a special horse and support by the family of Frank Farmer who always supported children in their equine endeavors.

THE RAY GAMBONE MEMORIAL TROPHY

Donated by the friends of Ray Gambone and
presented to the PHSA by Betsy Gambone

The Ray Gambone Memorial Trophy celebrates a
parent that best exemplifies a love and
enjoyment of horse showing while supporting
the exhibitors and PHSA - recognizing the many
hours of support and encouragement parents
provide. This person should demonstrate good
sportsmanship and the ability to be a positive
influence on others.

THE PHBA AWARD FOR LIFETIME CONTRIBUTION TO THE EQUINE INDUSTRY IN PENNSYLVANIA

Donated by Harry Gill to the PA Horse Breeders
Association in 1974.

Presented to a group or an individual who has
done the most to promote horse related activities
in Pennsylvania.

PHSA GROOMS AWARD

Donated by Rebekah Robinson

Presented to an individual in recognition of his/her outstanding care of horses/ponies. This individual is responsible for some or all aspects of the management of equines and/or the care of the barn themselves. They may be responsible for cleaning stalls, feeding, grooming, tacking up/down, turning out/in, tack cleaning and/or exercising the horses.

PHSA EQUINE HALL OF FAME

Donated by Kimber-View Stables in recognition of the horses and ponies whose achievements have made a lasting impression on the horse world.

THE MARTHA B. FERGUSON MEMORIAL
SPORTSMANSHIP AWARD

Presented to a rider or owner who exhibits a degree of excellence and integrity by supporting their fellow competitors, showing kindness towards their horse/pony and behaving in a professional manner at all times.

Established by her daughter, Sarah Ferguson Wood and good friend, Yvette Smith, to honor Martha who felt strongly that good sportsmanship and truly enjoying the ride was as or more important than the ribbons earned. Sarah describes her mother as a very unique and extraordinary woman who made other riders, as well as the horses she rode, feel like she had their backs.

Vision Statement

The vision of the Pennsylvania Horse Shows Association (PHSA) is to provide leadership for equestrian sport as well as sport horse breeding in the Commonwealth of Pennsylvania, and to do so by promoting the pursuit of excellence based on a foundation of fair, safe competition.

Mission Statement

The mission of the Pennsylvania Horse Shows Association (PHSA) is to encourage sportsmanship, to foster an environment in which talent among riders, both young and old, can be developed, to provide a safe venue for competitions for both horses and riders, to offer to the general public the opportunity to view competitions at no cost, thereby enriching their lives and giving them the opportunity to learn more about equines, and to promote safe equestrian sport. In carrying out this mission, PHSA accredits horse shows in the Commonwealth of Pennsylvania which adhere to the laws of the United States, of the Commonwealth of Pennsylvania, and of the rules of USEF, or United States Equestrian Federation, the national governing body of equestrian sport in the United States.
